UPSCALE ATLANTA LIVING

**“Herbal Remedies”**

**By: Kelly Skinner**

**June 2011**

This summer's coolest concoctions are garden fresh. Whether it's basil, rosemary or mint, Atlanta's mixologists have gone straight to the source for their farm-to-table libations.

## **LIVINGSTON COCKTAIL**

**Livingston Restaurant,  
Georgian Terrace Hotel**

Admire your golden surroundings in regal fashion as you sip on something equally elegant in the Georgian Terrace's ethereal dining room.

It's luxury in a glass—bourbon infused with Southern tea leaves, muddled with lemons and mint and served on the rocks. *659 Peachtree St. N.E., 404.897.5000,*
